off, not withstanding her entreaties to stay with mamma. Shirley had another full to set down against the widow-her thoughless unconcern towards her beautiful child, as she set smiling, chatting, flirting so carelessly with Elvery, whilst Juliette went away occasionally to see if the little one was properly attended to.

And About sunset they set out on their return, and the drive back was as delightful as the morning re public, as they watche! The early

Little we reck of our coming years -We finey them j tst as we choose; = For whatever life's after light may be, It colors its first from the rose.

Then the creating was as happy for him as the whole day had been; for the felies inisted that their expect should enter and spend it with them. When the tea was landid round. Shirley had the supreme fillelty Was sent by letter, the money must accompany the letter, the money must accompany the letter and I train of thought had broken the each extense.

His friend and himself did not talk mod's as they wended their way home that night but Shieley was not quite so morose as to ing, "What say you to calling on the facties ta-morrow, to see if they have recovered

The next day they did indeed call, and paid them an unconscionable visit-if and can trust Miss Henderson's account, who lived opposite, and who actually last the whole morning; peeping through the blinds, however, you should let me into the secret, to see when they would leave. And the next day, and again the next, Shirley had an ever ready excuse for calling. To day it promise you a merry laugh, one of these days was, "I must take those drawings I promised;" at other times, 'I have a piece of music morning Ellery came before breakfast, to beg hist, grown tolder, he made no excuse at all, which I must take," or a new book; till ac teave to bring a friend to take a fourth seat in but visited there quite en famille-or, to use their carriage; which was the more readily the prying neighbor's expression, as she grante t, as Mrs. Empton had already started watched with envious eyes the comings and goings of the bandsome lieutenant-"he had old Mrs. Empten; she was certainly the Che morning he sat with his friend Ellery aicest old lady on earth for a pienic; always -it was two weeks since the opening of this ready to strend to that most necessary part, story—in the same room; and his face now the 'eatings;' but withal, so deaf, unless was not listless as then, but were a procescupied and rather troubled look, as turning
